

**To foreign nationals who postponed their visit to Japan
due to the Great East Japan Earthquake
(Termination of Special Measure)**

December 21, 2011

The special measure for visa applications of foreign nationals who have been compelled to postpone their visit to Japan due to the Great East Japan Earthquake after obtaining their visa was terminated on December 20, 2011.

If you will be unable to visit Japan before the visa expires because of postponement of your travel, please re-apply for a new visa with the necessary documents.

For further details, please inquire at your nearest Japanese Embassy or Consulate-General.
